INFRASTRUCTURE

“The road to success is always under Construction.”

We have worked in teams on the maintenance of the school infrastructure to provide better facilities to our students:

- As part of periodic maintenance, we have got the school building repainted, along with the timely repair work of classroom furniture, electric fittings and have installed LED lights in each class.
- Keeping in mind to provide safe environment to our students, we have installed CCTV Cameras which covers the entire school.
- Our school is equipped with latest Fire Fighting Systems with regular practice of mock drills.
- We have separate hygienic bio toilets for girls and boys. We also have filtered drinking water with cooler facility and it's time to time testing water quality is accordingly done.
- Full time housekeeping staff to ensure cleanliness and hygiene within the campus.
- Well stocked library with variety of periodicals and reference books, textbooks, story books (Classic, fictions) etc.
- Well –equipped modern Science and Computer (ICT) laboratories.
- We conduct regular remedial classes for std. IX to XII students, counseling, various vocational courses. We take special care for PWD students.
- A well equipped Medical room available in case of need arises.
- Additional Indoor Sports Room facility.
- We also conduct self-defense classes (Karate) for Primary students (especially girls) to equip them to handle unsafe situations.
- Fleet of school buses taken care and organized by parents committee and all safety measures are being instructed by school.

**“Education is the kindling of a flame,
Not the filling of a vessel.”**

We as a school believe in the holistic development of our students which is not limited to the knowledge imparted within classroom walls. We encourage our students to take part and organize various scholastic and co-scholastic activities that help them face challenges and make them confident to face the world as better human beings.

CELEBRATIONS:

We teach the importance of our tradition by celebrating:

- Guru Poornima

EDUCATION TRIANGLE

“Seek first to understand, then to be understood-Parent –Child-Teacher-Relationship.”

PTA

PTA Member from each class is selected at the beginning of the Academic Session and regular meeting were conducted by school.

The main purpose of meet was to create a common platform, where teacher and parents come together to discuss various issues for all round development of students.

Before concluding, I would like to emphasize that it is through collaborative efforts of the school and parents that we can hope to create an environment conducive to not only academic growth but to develop balanced human beings capable of handling themselves and succeeding in life.

ORIENTATION PROGRAMS FOR TEACHERS, PARENTS & STUDENTS:-

- In the beginning of the Academic Year, Principal of the school conducts the orientation program for new teachers as well as existing teachers to make the aware of school systems, procedures, and how to get along with each other to create a positive work atmosphere.
- Parents of each class are oriented every year at the beginning of the Academic Session to share the plans & programs of the school.
- Pre Primary & Primary parents are oriented properly by the supervisor to make them understand the school values how to handle their own wards & how not to put pressure on the small children.
- Students from std IX to XII are oriented time to time according to their needs and requirement by the school.

EVALUATION OF TEACHING AND NON TEACHING STAFF

- Teacher self evaluating by adopting methods of instructional planning, sharing techniques and sharing professional attributes.
- Self evaluation techniques.
- Peer coaching and training.
- Instructional planning.
- Sharing lecture techniques
- Sharing professional attributes.
- Student evaluation.

Observation of lectures by various HOD's, Peer teachers & Principal.

RESPONSIBILITY OF SCHOOL SUPERVISOR HOD's.

- To act as a facilitator in school, able to translate the school vision into practical implementations.
- To act as a communicating agent of information between parents, students, teachers and superior Authorities.

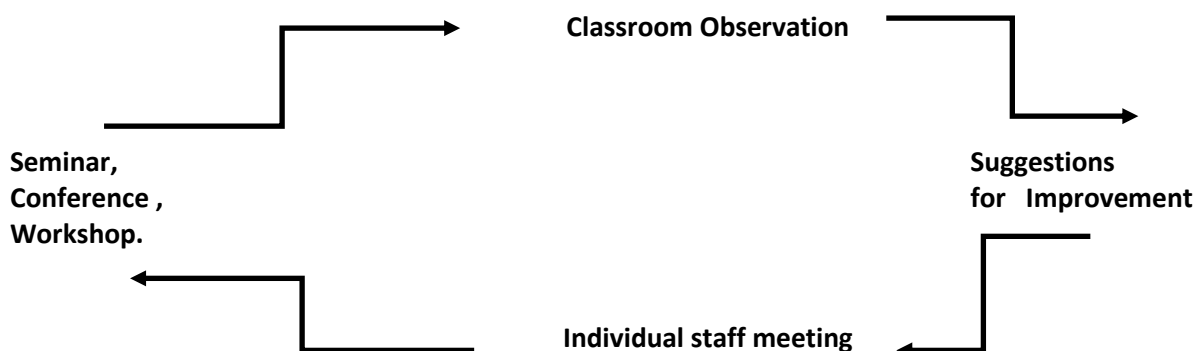

- To prepare short term 15 days, monthly as well as Periodic test pattern Academic plan for subjects and standard wise.
- Manage the work load or the teachers in department and provide help assistance required.
- Maintain an encouraging, pleasant and motivating atmosphere of work and lead the team in cooperation.

“Reflection Is The Mirror of The Head.”

STEPS TAKEN TOWARDS IMPROVEMENT OF QUALITY STANDARDS OF STAFF

- Encouraging staff to upgrade their skill and simultaneous Professional growth through various in house and outside workshop enrollment.
- Conducting Annual Staff Medical and Psychometric test relating their health.
- Introduce And Encourage Innovative Teaching Techniques example:
 - ✓ Introducing Reading festival
 - ✓ Writing with pens. A new beginning (Std IV first time PEN users).
 - ✓ Encouraging teachers to give surprise home visit of std X and XII students.
- Proper Instructional Planning.
- Orientation of staff in Intervals.
- Timely Discussion, coordination of all stake holders believing in opinion of everyone to be considered before taking final decision.
- Month end Meeting – to covers future monthly plan and assess the months completed work.
- Appreciation and Encouragement in ways and means for good work of staff.
- Discouraging” Blame Game”.
- Maintaining self respect and individual staff and take necessary action in case of unpardonable mistake.

CONTINUOUS FORMATIVE EVALUATION OF STAFF

It is necessary to maintain cordial relations with superior colleagues and students.
