# OUR SCHOOL ARTICLES IN NEWSPAPERS

**Mahatma Gandhi Mission Primary and Secondary School (English Medium), Nerul**

**C**onstitution Day (Samvidhan Divas) also known as "National Law Day", is celebrated in India on 26 November every year to commemorate the adoption of the Constitution of India. On 26 November 1949, the Constituent Assembly of India adopted the Constitution of India, and it came into effect on 26 January 1950.

This 73rd Constitution Day will be celebrated with the theme 'Bharat: Loktantra Ki Janani - India: The Mother of Democracy', to highlight that the concept of democracy was prevalent in the country since the time of the Vedas.

Mahatma Gandhi Mission Primary and Secondary School (English medium) celebrated National Constitution with great zeal and enthusiasm. A skit on rights and duties of a citizen mentioned in constitution was beautifully presented by students of MGM law college.

They also made students aware of various Articles related to Rights and duties of a citizen mentioned in the constitution. Speeches were delivered to make our students understand the importance, significance and adoption of constitution. Also various questions related to this day was asked to the students to make the programme more interactive and informative. A two minute silence was observed for honouring the martyrs of 26/11 attack in Mumbai. Preamble was read by the students of classes 8th to 10th. According to the preamble, the constitution of India has been pursuance of the solemn resolution of the people of India to constitute India into a 'Sovereign Socialist Secular Democratic Republic', and to secure well-defined objects set forth in the preamble. Sovereignty denotes supreme and ultimate power. Students from classes 7th to 10th attended this programme and gained lot of knowledge regarding our constitution. A heartfelt thanks to students of MGM law college and principal Revathy Ramkrishna for making it a memorable event for the students.
